

انجمن پروانه شناسی ایران  
Association Lepidoptera Iranica

**THE SECOND MEETING OF  
ASSOCIATION LEPIDOPTERA IRANICA (ALI)  
(27<sup>th</sup> -29<sup>th</sup>, May, 2004, Tehran-Iran)**

**Scientific Program:**

**Friday, 27<sup>th</sup>, May**

One day excursion

**Saturday, 28<sup>th</sup>, May**

**Presentations:**

**14:00- 14:15 Dr. Gholam-Abbas Abdollahi** (Head of Plant Pests and Diseases Research Institute (PPDRI)): Welcome

**14:15- 14:30 Dr. Ebrahim Ebrahimi** (Head of Insect Taxonomy Research Department (ITRD)): Major aims of the meeting

**14:30- 14:50 Helen Alipanah & Dr. Robert Trush** (Curator of Lepidoptera collection of ITRD in PPDRI, Curator of Lepidoptera collection of state museum of Natural History, Karlsruhe, Germany): A review and report of the first meeting of A.I.I. in Karlsruhe

**14:50- 15:30** Tea break

**Presentations:**

**15:30- 15:45 Eng. Ali Pazuki** (Plant Pests and Diseases Research Institute): The history of entomological researches on Lepidoptera in Iran

**15:45- 16:00 Dr. Robert Trusch** (Curator of Lepidoptera collection in the state museum of Natural History, Karlsruhe): Phylogenetic Analysis of the Lepidoptera genus (Geometridae)

**16:00- 16:15 Axel Hofmann** (Museum of Natural History, Karlsruhe): Melanism- a geographical and Genetic phenomenon in the gens *Zygaena* Fabricius, 1775, (Lepidoptera, Zygaenidae, Zygaeninae)

**16:15- 16:35 Dr. Gerhard Tarmann** (Tiroler Landesmuseum Ferdinandeum, Austria): An overview on the Zygaenidae (orbis terrarum) (morphology, Taxonomy, Systematics, Phylogeny, Distribution, Ecology, Biology, Biochemistry)

**16:45- 18:00** Visit to Insect collections of **Hayk Mirzayans Insect Museum in ITRD**

**19:30** Dinner

**Sunday, 29<sup>th</sup>, May**

Presentations and Workshops:

**10:00- 10:20 Dr. Michael Fibiger** (Danish Entomological Society, Denmark): Noctuidae Systematics

**10:20- 10:50 Dr. Michael Fibiger** (Danish Entomological Society, Denmark): Biogeography of Iran- seems through the Noctuidae Fauna of Iran

**10:50- 11:15 Eng. Ali Pazuki** (PPDRI): Taxonomical studies on immature stages of Lepidoptera

**11:15- 11:30 Dr. Romann Yakovlev** (Altai State University, Russia): The Palaeractic Cossidae

**11:30- 12:30** Formation of Taxonomic Work groups on Noctuidae, Cossidae

**12:30- 13:30** Lunch break

Presentations and Workshops:

**14:00- 14:15 Helen Alipanah** (PPDRI): A preliminary survey on Iranian pterophorids

**14:15- 14:30 Dr. Sergey Sinev** (Zoological Institute of the Russian Academy of Science): Studies of the Cosmopterigoid moths of Iran, past , present and future (Lepidoptera: Gelechioidea: Cosmopterigidae).

**14:30- 14:45 Dr. Gerhard Tarmann** (Tiroler Landesmuseum Ferdinandeum, Austria): Datadasing Iranian Zygaenidae- an Overview on “Mapping Iranian Zygaenidae” (MIZ)

**14:45- 15:00 Dr. Jörg-Uwe Meineke** (Höhere Naturschutzbehörde Freiburg): The European Network of protected Areas "Natura 2000" - Notes on the current state with focus on Germany and Lepidoptera protected by the Annexes II and IV of the Fauna-Flora-Habitat Directive

**15:00- 15:30** Formation of Taxonomic Work groups on Gelechiidae , Pyralidae, Cosmopterygidae

**15:30- 16:00** Tea break

Presentations and Workshops:

**16:00- 16:15** **Alireza Naderi** (Natural Conservation Organization of Iran): Beschreibung einer neuen Unterart von Archon apollinaris (Staudinger, [1892]) aus dem sudwestlichen Zentral-Zagros, bostanchii subspec. Nov., mit ergänzenden Angaben zur Gesamtverbreitung der Art (Lep.: Papilionidae, Panassiini)

**16:15- 16:40** **Axel Hofmann, Dr. Alireza Sari**(Tehran University, Faculty of Sciences): Concepts of ALI, making new co-projects, position of ALI and its improvement (Conclusion).

**16:40- 16:55** **Dr. Jafar Khalghani** (Deputy of PPDRI):

**17:00- 17:10** **Hossein Rajai** : Iranian Slide Shows

**17:10- 17:25** Formation of Taxonomic Work groups on Rhopalocera

**18:00- 19:00** Visit from Insect collections of **Hayk Mirzayans Insect Museum in ITRD**

**19:00** Dinner
